Experience and Qualifications

1994-Present, Founding Principal, Historic Building Architects, LLC, Trenton, NJ Ms. Radcliffe-Trenner has a keen interest in the long-term planning for and the ethics of intervention on historic buildings and the adaptive use of existing buildings. Eager to educate the public, she lectures on preservation issues nationally. Completed projects include: Historic Morven, Princeton; St. Johns, Somerville; St. Peter's Episcopal Church, Perth Amboy; The Log House at Craftsman Farms, Troy Hills; Federal Courthouse, Manhattan, NY; and Watch Hill Chapel, Rhode Island. Current Projects include: The Factory at Historic Speedwell, Morristown; St. Bernards Episcopal Church, Bernardsville; Greenwood Gardens, Short Hills; Saint Peter The Apostle, New Brunswick; and Iviswold Castle, Felician College, Rutherford, and Saint Francis de Sales, Philadelphia PA.
