

SOPHIA L. JONES, ASSOC. AIA, LEED AP
ARCHITECTURAL DESIGNER

Education

2005, Master of Science in Historic Preservation, University of Pennsylvania

2003, Bachelor of Architecture, University of Miami

2002, Study Abroad in Italy and France

Experience and Qualifications

2005-Present, Historic Building Architects, LLC, Trenton, NJ. Ms. Jones is involved in various phases of building documentation and construction, including conducting Building Condition Assessments, producing Design Development and Construction Documents, as well as administering Construction Administration. She also participates in writing Preservation Plans, Historic Structures Reports, and Vision Plans. She has assisted with Construction Administration on St. Bernard's Episcopal Church, Bernardsville, and the Crawford House, Tinton Falls. Current projects include: Greenwood Gardens, Short Hills; Church of the Presidents, Long Branch; Millstone Forge, Millstone, Newark; Iviswold Castle at Felician College, Rutherford; Glen Alpin, Harding Township; Peachfield Plantation, Westampton; and Saint Francis de Sales, Philadelphia, PA.

July 2004-May 2005, New Jersey Historic Preservation Office, Trenton, NJ. Reviewed Federal Communications Commission, Land Use, and Bank applications for Section 106 compliance to ensure historic properties are not adversely affected by agent project proposals. Ms. Jones also reviewed Investment Tax Credit applications for historic properties to ensure they were in compliance with the Secretary of Interior's Standards for Rehabilitation.

September 2003-July 2004, Eastern State Penitentiary, Philadelphia, PA. Ms. Jones was a conservation intern at ESP where she performed various conservation works including masonry restoration, and window conservation. She also produced measured drawings and photographic documentation for an on site greenhouse as well as performed a condition assessment on the structure.
